

CORNWALL MINOR HOCKEY ASSOCIATION

U9 Tier 2 – Jason Lepine

Thank you for having me on board this year as U9 Tier 2 coach. I am excited to be behind the bench and start working with new and familiar faces. I am from Cornwall, born and raised. I have a son that's 8 years old (Cameron) and a daughter (Clara) that's 5. Married to Tara for 9 years and she will be involved with some of the managing department this season also.

A bit of hockey background, I played four years with the Cornwall Colts Jr. A, then went to play in the USA and played five years in various city's in the ECHL and AHL teams. After 2009, I took my skills overseas and played another five years in Europe. My first season was in Czech Extraliga, Finland SM-Liga, Slovakia Extraliga, Germany DEL, then finishing in Italy. After my hockey career, I coached at OHA in Cornwall for two seasons with the U18 AAA program. Currently now, I am working at BASF. This season I'll be focusing on skating, puck skills and positioning in the defensive and offensive zone. I try to keep a positive and upbeat attitude behind the bench with some structured coaching. Overall, I want the kids to have fun but also learn the game and compete to their own capabilities. Looking forward to seeing everyone in the fall. Go colts go!!
